## Asbestos

Asbestos should only be removed and transported by a licenced contractor. Where it is to be brought to approved landfills the landfills require a minimum of 24 hours notice. Failure to give this notice may result in transporters of asbestos being refused entry to site. This condition is in place to allow landfill operators to appropriately prepare disposal areas.

## Clean Fill

Clean fill will only be accepted to site on prior approval. This must be sort through CCRC waste department a minimum of seven (7) days before proposed disposal. Soil testing may be required to show that material is not contaminated.

## Special Burial/Disposal

Where special burial/disposal is required 24 hours notices should be given where possible.

**Council reserves the right to refuse waste or direct customers to alternate facilities.**
