NUMBER OF SUB-METERS REQUIRED: Cold (20 mm) _____ Hot (15 mm) _____

Hot and Cold sub-meters are available to be purchased from the CCRC as per the Council's fees and charges schedule. The installation costs for the sub-meters are to be borne by the property owner/body corporate.

The applicant agrees to pay all costs for the purchase of the tradewaste sub-meters.

Trade waste sub-meters are to be installed by a licensed plumber with a Form 1 Compliance Assessment Application for Plumbing and Drainage along with the application permit fees paid to Council. Two copies of the plan and elevation drawing indicating the location of the trade waste sub-meter are to be submitted with the application. Sub-meters are to be installed in accordance with the AS 3500 and CCRC's Trade Waste Environmental Management Plan (TWEMP).

As outlined in the TWEMP, the sub-meters are to be used for the calculation of trade waste volume charges.
