# Criteria for assessment of application General Criteria under Local Law No. 1 (Administration) 2022 Council must assess your application against the general criteria: 1. that you currently hold any separate approval relating to the activity that is required under another law, including proof of any conditions, plans or limitations that attach to the approval; 2. that the management of the activity will protect public health, safety and amenity and prevent environmental harm; 3. identify best practice management for the proposed activity; 4. if the activity is to be conducted on trust land, say why the activity is consistent with the purpose of the trust: 5. how the activity will benefit the good rule and governance of the Cassowary Coast; 6. how the activity will not be detrimental to the good rule and governance of the Cassowary Coast; 7. whether you have been convicted of a breach of a local law within the last three years; and 8. whether an approval for the same or similar activity was given under the repealed local laws. Additional criteria under Local Law No. 4 (Local Government Controlled Areas and Roads) 2022 Council must assess your application against the additional criteria that apply to this activity specifically: 9. that the proposed activity would not adversely affect the amenity of the area (including the established amenity in the neighbourhood), road or the environment; 10. that the proposed activity would not unduly interfere with the usual use and enjoyment of the area or road. 11. that the proposed activity can be lawfully conducted on the area or road. This may include the provision of copies of any relevant permits or approvals to Council; 12. whether the proposed activity would be able to be conducted consistent with relevant environmental, health and safety standards; 13. whether the proposed activity would be able to be operated in accordance with best practice management for the activity; 14. whether the proposed activity complies with the Council's planning scheme; 15. that the proposed activity would not generate significant noise, dust or light pollution or other significantly adverse effects on the surrounding neighbourhood; 16. that the proposed activity would not adversely affect existing services located in, on or over an area or road; 17. that the proposed activity is appropriate having regard to any current permits issued, or application for permits, under this local law for the site including the number of permits, their duration and the nature of any approved activity; 18. that the proposed activity is appropriate having regard to the frequency at which the activity is proposed to be conducted on the site; 19. that the number of customers proposed to be taken to the site at any one time is appropriate for the local government area or road; 20. that the proposed activity is appropriate having regard to the total number of customers proposed to be taken to the site:

# Criteria for assessment of application (continued)

- 21. that the proposed activity is appropriate having regard to the impact of the activity on other users of the site;
- 22. that the proposed activity is appropriate having regard to the adequacy of any amenities or facilities considered by the local government to be reasonably necessary for the conduct of the activity;
- 23. that the proposed activity is appropriate having regard to the economic impact on commercial operators immediately adjacent to the site;
- 24. that the proposed activity is appropriate having regard to the situation, suitability and amenity of the site in relation to neighbouring areas;
- 25. plans showing any temporary structure intended to be erected as part of the activity is structurally sound;
- 26. that the proposed activity will not significantly detract from the capacity of a road to provide a vehicular and, where relevant, pedestrian thoroughfare;
- 27. that the proposed activity will not obstruct access from the footpath to kerbside parking

| Application<br>Number: |  |

General Application to accompany all applications to Council for permits to undertake prescribed activities and nonprescribed activities. This Approved Form 1.7 Application to Council (What I Want) is approved by the Chief Executive Officer for the local laws.

The Council may, by written notice, request the applicant to provide further reasonable information or clarification of information, documents or materials to be included in the application. Council may require an application to include site plans, management plans, relevant consents, evidence of public liability insurance etc. Please not an application to Council may require approvals under another Act, for example in relation to development, building, liquor carriage of goods and business licensing etc. Should the applicant not provide information, documents or materials to be included in the application, the application may lapse. See Section 7 *Cassowary Coast Regional Council Local Law No 1 (Administration) 2022.* 

# Information Privacy Statement:

Cassowary Coast Regional Council is collecting your personal information in accordance with the *Information Privacy Act 2009* (Qld), and other applicable laws. Your information is being collected for the purpose of processing your application and/or responding to your enquiry. It may be used by authorised Council officers and disclosed to other agencies or third parties where required or permitted by law. Providing this information is voluntary; however, if you do not supply the requested information, Council may be unable to provide the requested service. You have the right to access and amend your personal information held by Council, subject to legal constraints. For more information, please view Council's Privacy Policy on Council's website www.cassowarycoast.qld.gov.au
