

## Disability Parking Permit

The Department of Transport and Main Roads (TMR) is responsible for the administration of both the Queensland Disability Park Permit (Red Permit) and the Australian Disability Parking Permit (ADPP) for Queensland residents.

For enquiries in relation to a disability parking permit please contact TMR on 132 380 or visit the [TMR website](#).

Cassowary Coast Regional Council parking officers monitor the use of a disability parking bays to ensure the spaces are not used by people who do not have a current disability parking permit. Monitoring these parking bays ensure that people who have a lack of mobility have access to available disability parking spaces.

Parking officers monitor disability parking bays on road and on Council property. Parking officers and the Queensland Police Service may issue infringement notices for the misuse of a disability parking bay.

An internal symbol of access is used to identify parking bays for people with disabilities.

Overseas and interstate permits are valid for use in Queensland providing they are not expired, suspended or cancelled. Parking Concessions are the same as ADPP parking concessions.

If a holder of an interstate permit resides permanently in Queensland, the permit holder must apply for a Queensland granted ADPP within 14 days of becoming a permanent Queensland resident.

### Conditions of Use

Disability parking permits are granted to applicants when their ability to walk is severely restricted by a medical condition or disability. Permits are also granted to organisations that transport individuals who meet the eligibility criteria for the grant of disability parking permit and must use the permit according to conditions.

When parking in a disability parking bay the driver must ensure the disability parking permit is current and is displayed on the front left hand side of the vehicle windscreen with the permit number and expiry date clearly visible from the outside of the vehicle.

The permit must only be displayed when the permit holder or person being transported (organisational permit) either enters or exits the vehicle whilst the vehicle is parked in the disability parking bay.

### Further Information

For further information contact Council at 1300 763 903 or email [enquiries@cassowarycoast.qld.gov.au](mailto:enquiries@cassowarycoast.qld.gov.au).
