NOTICE OF OBJECTION AGAINST CATEGORISATION

PLEASE READ BEFORE SUBMITTING YOUR APPLICATION.

IMPORTANT DETAILS:

Section 90 of the *Local Government Regulation 2012* provides that the **only** grounds a property owner may object to their rates category is that their land should have been included in another rating category (based on the local governments rating categories).

Prior to making an objection, owners should refer to the Cassowary Coast Regional Councils Differential General Rates table contained in Council's current financial years Revenue Statement, which includes both the general description and specific description and identification by which land is categorised. Reference should also be made to Councils current Revenue Statement.

To object, a notice of objection must:

- be given within 30 days after the date of issue of the rate notice, and
- be in the form approved by the local government (this form), and
- nominate the rating category the owner claims the land should be included, and
- state the specific facts that support the claim for a rating re-categorisation.

Upon receipt of this completed form, including the signed declaration and any supporting documentation, council will review the Differential General Rate category and notify the owner of council's decision.

Please pay the net amount shown on your rate notice by the due date unless you receive written notification from council of a category adjustment.
