Cassowary Coast Regional Council – Information Privacy Statement:

Cassowary Coast Regional Council is collecting your personal information in accordance with the *Information Privacy Act 2009 (QLD)*, and other applicable laws. Your information is being collected for the purpose of processing your application and/or responding to your enquiry. It may be used by authorised Council officers and disclosed to other agencies or third parties where required or permitted by law. Providing this information is voluntary; however, if you do not supply the requested information, Council may be unable to provide the requested service. You have the right to access and amend your personal information held by Council, subject to legal constraints. For more information, please view Council's Privacy Policy on Council's website www.cassowarycoast.qld.gov.au

Criteria for assessment of application:

General Criteria under *Local Law No. 1 (Administration) 2022*

Council must assess your application against the general criteria:

1. that you currently hold any separate approval relating to the activity that is required under another law, including proof of any conditions, plans or limitations that attach to the approval;
2. that the management of the activity will protect public health, safety and amenity and prevent environmental harm;
3. identify best practice management for the proposed activity;
4. if the activity is to be conducted on trust land, say why the activity is consistent with the purpose of the trust;
5. how the activity will benefit the good rule and governance of the Cassowary Coast;
6. how the activity will not be detrimental to the good rule and governance of the Cassowary Coast;
7. whether you have been convicted of a breach of a local law within the last three years; and
8. whether an approval for the same or similar activity was given under the repealed local laws.

Additional criteria under *Local Law No. 4 (Local Government Controlled Areas and Roads) 2022*

Council must assess your application against the additional criteria that apply to this activity specifically:

9. that the leading of animals would not unduly interfere with the proper use of the road or create a safety hazard for users of the road.
